LEYMAN LIFT GATES ADDS TO NATIONAL ACCOUNTS SALES TEAM

Latest Hire to be Based in Dallas

Cincinnati, OH – Leyman Lift Gates is pleased to announce that Joe Howeth has joined the Leyman National Accounts sales team, as a National Accounts Manager based in Dallas, Texas.

Howeth comes to Leyman from Bluff Manufacturing, where he was Sales Manager for the West and Southeast regions. As a 15 year sales and business development veteran, Howeth brings a rich understanding of the beer, soft drink, food, parcel and healthcare industries, as well as consistently proving a trustworthy and confidence-inspiring partner with his customers.

Prior to Bluff, Howeth gained valuable experience over a stellar 14-year career at Magline, Inc., where he was initially hired as Regional Sales Manager, becoming Business Development Manager/National Delivery Systems Sales Manager after three years. Howeth also holds a bachelor of science degree at Stephen F. Austin State University, Nacogdoches, Texas.

“Joe has considerable experience in the industrial, beverage, and food industries,” said William G. Margroum, General Manager. “We are thrilled to be adding Joe to our talented National Accounts team and are confident that our existing customers as well as our new business partners will be served well by him.”

Dedication to quality through innovation, timely and professional service, and solutions for the challenges of material handling have enabled Leyman Lift Gates to set the standard in all-hydraulic lift gates for over 50 years. Founded in 1940 as Leyman Manufacturing Corporation, the company's state of the art engineering design, world class manufacturing processes, and outstanding response to their customers' needs continues to lead the industry into the 21st century. Through a distributor network of over 900 business partners across North American, Central America, and South America, Leyman offers 18 different lift gate models for aftermarket customers. Leyman is also a leading supplier to the original equipment manufacturers of trailer and truck bodies.
