LEYMAN LIFT GATES IS HEADING TO IFDA

Cincinnati, Ohio – Leyman Lift Gates, a leader in the lift gate industry, is pleased to announce that we will be attending IFDA in Ft. Worth, Texas, September 10 - 13, 2023. The IFDA is the premier trade association for the foodservice distribution industry.

The main attraction for the Leyman booth will be a full demonstration of the LPS Trailer Side Door Level Ride Platform. Leyman will also have representatives available to provide information on their full line of lift gate available for multiple industry solutions for food distribution providers. Stop by booth 239 for information about a full line of standard and custom solutions for foodservice distribution providers.

Dedication to quality through innovation, timely and professional service, and solutions for the challenges of material handling have enabled Leyman Lift Gates to set the standard in all-hydraulic lift gates for over 50 years. Founded in 1940 as Leyman Manufacturing Corporation, the company's state of the art engineering design, world class manufacturing processes, and outstanding response to their customers' needs continues to lead the industry into the 21st century. Through a distributor network of over 900 business partners across North American, Central America, and South America, Leyman offers 18 different lift gate models for aftermarket customers. Leyman is also a leading supplier to the original equipment manufacturers of trailer and truck bodies.
